

## 2018 'Small Batch Wine #3'

75% Coonawarra Cabernet / 25%  
Barossa Montepulciano

Each vintage our winemakers have the privilege of working with an incredible array of fruit from several premier regions across South Australia. While the majority of these parcels make their way into our core range of wines, there are a few special barrels that are kept separate, allowing them to experiment with various varietal, vineyard and regional combinations. These unique blends have come to be bottled under this simple label to be enjoyed exclusively by members of the Parker Coonawarra Estate cellar door.

S.B.W. #3 – **Napoleon** - is made up of 75% Coonawarra Cabernet and 25% Barossa Montepulciano. Named after Napoleon Bonaparte - whose Italian heritage and French birthright saw him become both emperor of France AND King of Italy; similarly the grape varieties in our S.B.W.#3 hail from both France (Cabernet Sauvignon) and Italy (Montepulciano).
